

# **Appendix A**

## **Nebraska Supplemental Environmental Report**

This document is available on the Nebraska Department of Environmental Quality website. To access it, paste the below web address for Nebraska's Keystone XL Pipeline Evaluation Public Document Search page into your browser address bar. Once at the site, select "Report" as the document type, and "September 5, 2012" to "September 17, 2012" as the date posted.
